Disclaimer

1. Content

The author cannot accept any liability for the topicality, accuracy, completeness or quality of the information provided. Liability claims against the author with regard to material or non-material damages caused either by the use or non-use of the information provided or by the use of inaccurate and incomplete information are generally excluded, insofar as there is no evidence of wilful misconduct or gross negligence on the part of the author. All offers are subject to change and non-binding. The author explicitly reserves the right to change, complete or delete parts of these pages or the whole publication temporarily or permanently without separate announcement.

2. References and links

Liability for direct or indirect links to third-party internet pages ("Links"), which lie outside of the author's area and responsibility, would only then apply if the author were aware of the content and if it would have been technically possible and reasonable for him to prevent the use of any content that proved to be illegal. The author hereby declares that no illegal content was discernible on the linked sites at the time of setting the link. The author has no influence whatsoever on the current and future layout, content or authorship of the linked sites. Therefore, he hereby expressly distances himself from the content of all linked sites that have been altered after the link has been set. This statement refers to all links and cross-references on the author's own website and also to third-party entries in visitors books, discussion forums and mailing lists created by the author. The operator of the website to which

the link has been made shall be held solely liable for any illegal, inaccurate or incomplete content and, in particular, for damages resulting from the use or non-use of information provided in this way, and not the person merely providing the user with links to such sites.

3. Copyright and Trademarks

In all publications, the author shall endeavour to observe the copyrights of the graphics, audio documents, video clips and texts used, to use self-created graphics, audio documents, video clips and texts or to resort to royalty-free graphics, audio documents, video clips and texts. All brands and trademarks mentioned on the website and, where applicable, protected by third-party rights are subject without restriction to the provisions of the trademark law applicable at the time and to the ownership rights of the respective registered owners. The mere fact that brands are referred to by name should not lead to the conclusion that such are not protected by third-party rights! The author of the web pages shall remain in sole possession of the copyright for published items that have been created by the author himself. The duplication or use of such graphics, audio documents and texts in other electronic or printed publications is prohibited without the express consent of the author.

4. Data Protection

If the website provides the option to enter personal or business data (e-mail addresses, names, addresses), this data shall be disclosed by the user on a voluntary basis only. To the extent that this is technically possible and reasonable, the use and payment of all services offered is permitted without the specification of any personal data or by providing anonymous data or a pseudonym. The usage of published contact data within the framework of the imprint or similar data such as postal addresses, telephone, fax numbers, email addresses by a third party for sending information, which is not specifically requested, is not permitted. Legal measures against the sender of so-called spam mails are expressly reserved in the event of infringement

4.1 Data Protection in Terms of Google Analytics

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. By using this website, you consent to the processing of data about you by Google in the manner and for the purposes set out above. You can opt-out from being tracked by Google Analytics with effect for the future by downloading and installing Google Analytics Opt-out Browser Addon for your current web browser: <http://tools.google.com/dlpage/gaoptout?hl=en>.

5. Legal Validity of this Disclaimer

This disclaimer is to be considered an integral part of the website that includes the link to this page. In the event that sections or individual phrases of this text should not, no longer or not completely comply with the applicable legal situation, this shall not affect the content and validity of the remaining sections of the document.
